FEMA Independent Study Courses

FEMA's Emergency Management Institute offers many online courses for you to learn more about emergency preparedness, mitigation, the emergency management system, and the disaster response process.

Below are a few courses that volunteers may be interested in:

- [IS 10.a - Animals in Disasters: Awareness and Preparedness](#)
- [IS 11.a - Animals in Disasters: Community Planning](#)
- [IS 22 - Are You Ready?: An In-depth Guide to Citizen Preparedness](#)
- [IS 244 - Developing and Managing Volunteers](#)
- [IS 288- The Role of Volunteer Agencies in Emergency Management](#)
- [IS 317 - Intro to Community Emergency Response Teams](#)
- [IS 324 - Community Hurricane Preparedness](#)
- [IS 394.a - Protecting Your Home or Small Business in Disaster](#)

All the course materials are available over the internet to all who are interested. Official enrollment in the course, which includes scoring the final exam, receiving a certificate, and maintaining student records is, however, limited to United States (US) residents and to those individuals outside the US with valid US Postal Service deliverable address including APOs and FPOs.

- [Individual and Community Preparedness Print Publications \(link\)](#)

Other courses for those already trained in CERT:

- [IS 100.b – Introduction to Incident Command System, ICS-100](#)
- [IS 700.a – National Incident Management System \(NIMS\) An Introduction](#)
- [IS 26 – Guide to Points of Distribution](#)
- [IS 244.b – Developing and Managing Volunteers](#)
- [IS 288.A – The Role of Voluntary Organizations in Emergency Management](#)
